

December 16, 2011

Below are anticipated construction activities for the week of 12/19/2011.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities on the following streets.

- 10th Street from College Avenue to Bellefontaine Street
- 10th Street from Bellefontaine Street to Dorman Street
- 30th Street from Tibbs Avenue to Lafayette Road (This project also extends into Wayne Township.)

- Oriental Street from Michigan Street to 10th Street
- Washington Street from Alabama Street to Capitol Avenue
- North approach to Oriental Street at its intersection with Michigan Street
- South approach to Maryland Street at its intersection with New Jersey Street
- West and east approaches to Illinois Street at its intersection with Merrill Street
- Intersection of Maryland Street and Alabama Street (south approach)
- Intersection of Oliver Avenue and White River Parkway (west approach)

The Morris Street Bridge over White River will be closed during construction. A posted detour route will direct motorists around this year-long project.

Brick repair work will continue on Monument Circle, weather permitting.

Shelby Street and Madison Avenue from County Line Road to Virginia Avenue may have restrictions as construction for bike lanes is underway. This project also extends into Perry Township.

Restrictions may be in place on East 10th Street from College Avenue to Dorman Street as construction is underway.

Restrictions may be in place as construction for bike lanes is underway on Lafayette Road from 71st Street to New York Street. South of 16th Street, Lafayette Road turns into North White River Parkway West Drive. This project is in Pike, Wayne, and Center Townships.)

Streetscape improvements are underway on Indiana Avenue from 10th Street to 16th Street.

Restrictions may be in place within the area bounded by Pogues Run Trail to the west, I-70 to the north, Bolton Avenue to the east, and 21st Street to the south while drainage improvements are underway. This project also extends into Warren Township.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

The pedestrian lighting and paver work under the Conseco garage, on Virginia Avenue, is scheduled to be complete by the second week of January 2012, which means the southbound lane restrictions currently in place will remain until that time. The traffic taper on Virginia Avenue over I-65 for southbound traffic will be in place over the winter months.

On the Central Corridor (Washington Street), the contractor will place the new mast arms and make the new pedestrian signals operational over the next week between Delaware Street and Capitol Avenue. He will also be doing minor punch list items during that time frame, as well.

Georgia Street

Georgia Street is now open to vehicular traffic and improved pedestrian access. The contractor will still be working in the median area as well as the travel lanes finishing pavers and minor boardwalk items. Continuing next week, the contractor will be closing sections of Georgia Street overnight to place concrete bands around all of the utility castings and valves that are in the roadway. Please visit the project web page at <http://www.indy.gov/georgiastreet>.

WAYNE TOWNSHIP

38th Street from I-465 to I-65 remains under construction. Please visit the project web page at <http://www.indy.gov/dpw>.
